

Faith in Action Award

Pin Level Credits of Service

At Pin level, participants will begin a journey of discovering what it means for faith to be active. They will come to know more about how their faith and relationship with God has an outward and visible effect on them and those around them. This level is designed to be completed as a group / class at Year 6 age, instilling the idea of working together as a community. In this way, participants will become aware that others around them are on the same journey of discovery.

Pin Level	Home Credits	Away Credits	Examples of Service
<p>These credits are largely gained whilst working as a group/class and the activity is led by a teacher/catechist/youth worker. For pin level, there are no requirements to participate in acts of service outside of the home base. Should you wish to take part in service away from your home base, this would be encouraged. However, you must make sure that your School/Parish Safeguarding procedures are adhered to and children are supervised by an adult.</p> <p>Active participation in Reflection Points can also be counted as credits of service at Pin level up to 6 credits.</p>	20	0	Fundraising in school/parish
